

CFC 2023

22nd Computational Fluids Conference

25 - 28 April 2023, Cannes, France

M2P 2023

Math 2 Product — Emerging Technologies in Computational Science for Industry, Sustainability and Innovation

30 May - 1 June 2023, Taormina, Sicily, Italy

COUPLED 2023

10th International Conference on Computational Methods for Coupled Problems in Science and Engineering

5 - 7 June 2023, Chania, Crete, Greece

ADMOS 2023

11th International Conference on Adaptive Modeling and Simulation

19 - 21 June 2023, Göteborg, Sweden

MARINE 2023

10th International Conference on Computational Methods in Marine Engineering

27 - 29 June 2023, Madrid, Spain

ICTW 2023

22nd International Couette — Taylor Workshop

28 - 30 June 2023, Barcelona, Spain

SFMC 2023

2nd Spanish Fluid Mechanics Conference

2 - 5 July 2023, Barcelona, Spain

EHF-JLL2023

20th Jacques-Louis Lions Spanish French School on Numerical Simulations in Physics & Engineering

3 - 7 July 2023, Barcelona, Spain

SIM-AM 2023

4th International Conference on Simulation for Additive Manufacturing

26 - 28 July 2023, Munich, Germany

CSAI 2023

3rd International Conference on Computational Science and AI in Industry

28 - 30 August 2023, Trondheim, Norway

COMPLAS 2023

17th International Conference on Computational Plasticity. Fundamental and Applications

5 - 7 September 2023, Barcelona, Spain

COMPWOOD 2023

ECCOMAS Thematic Conference on Computational Methods in Wood Mechanics

5 - 8 September 2023, Dresden, Germany

COMPOSITES 2023

9th ECCOMAS Thematic Conference on the Mechanical Responses of Composites

12 - 14 September 2023, Trapani, Sicily, Italy

STRUCTURAL MEMBRANES 2023

11th International Conference on Textile Composites and Inflatable Structures

2 - 4 October 2023, Valencia, Spain

PARTICLES 2023

8th International Conference on Particles-Based Methods

9 - 11 October 2023, Milan, Italy

LATAM 2023

1st Latin-American Workshop on Structural Health Monitoring

5 - 8 December 2023, Cartagena de Indias, Colombia
